

The turtle Journey

Each year there is a journey representing another chapter of your life. Please fill in the appropriate squares according to the instructions. Then you can return to the plenum and share with others meaningful thought or insight you had during your journey.

Treasures I found in others...

My journey this year was...

What do I feel at the end of the journey...

Stations of success I had this year...

Things I would do differently...

Stations of difficulties I had

What will I take with me on a journey next year?

Significant people I met on the journey...
